Dear Jackie

Thank you so very much for the absolutely wonderful donation of £1,700 to our CHATS funds. It's difficult to put into words enough gratitude, so to spare you my attempt to do so, I am trusting in your knowing already how much it means to us. It will enable us to continue subsidising passenger donations and giving the service free when and where appropriate not to mention making life a lot more comfortable in light of the horrendous rise in fuel price.

You said to me as I left the BBQ on Saturday (thank you for that too, it was fun) "keep up the good work". I can only say the same to the Ball Committee knowing as I do only a smidgeon of how hard a grind it can be for you all. -

An absolutely marvellous boost to CHATS, and from us all – committee, drivers, passengers – a giant thank you.

Best wishes
Jackie
Co-ordinator CHATS.
